

LGF Delight

This yarn is another “garment worthy” yarn. It is versatile yarn that can be used for hats, scarves or sweaters. It has unbelievable softness and still has the luster of suri. I takes all our colors beautifully!

It is a blend of 50% Grade 2 Suri and 50% ultra fine merino/targhee. This blend gives it great elasticity!

Stitch gauge 7 - 11 stitches per inch depending on pattern requirements. Needle size US 3 - US 6.
